## **POWERING GLOBAL HVAC SUPPLY CHAIN**

**SOUTH ASIA'S LARGEST EXHIBITION ON AIR CONDITIONING,  
HEATING, VENTILATION AND INTELLIGENT BUILDINGS**

## Industry Overview

Changing climatic conditions, strong economic growth, various government initiatives like 'Make in India' - Atmanirbhar Bharat, PLI schemes, financial incentives and the commitment to become carbon neutral by 2070 are some of the prime contributors to an energy-efficient HVAC Market growth. Projected to reach a market size of \$30 billion by 2030 growing at a CAGR of 15.8%, the Indian subcontinent has become a fertile ground for local and international HVAC manufacturers. To set up factories, catering to local & global audiences thereby propelling market growth. With India's exports remaining strong and the ever-increasing rise in trade, the shipments of heating, ventilation, air-conditioning, and refrigeration are set to reach new highs. India's strong growth trajectory and its current global position have got the Indian HVAC manufacturers aligned to meet the global supply chain requirements along with China, developing and growing the Indian HVAC export market year on year.

## About ACREX India 2024

The 23rd edition of ACREX India in Delhi, riding on the theme "Powering Global HVAC Supply Chain" will focus on the rapid growth of the HVAC manufacturing sector in India. Showcasing the latest technological advancements and displaying a gamut of HVAC supply chain technologies. The exhibition will be an attractive sourcing and networking platform for local and international participants. With the push for more local manufacturing, ACREX India 2024 will help local and international manufacturers connect with industry captains, government officials, industry stalwarts, end users, and many more, helping them achieve their business objectives. ACREX India 2024 will see experts from around the globe come together to network, connect, cultivate, and expand knowledge for better business and economic growth.

Community

## Exhibitor Profile

- 1) Packaged Chillers
- 2) Air Handling & Distribution Products
- 3) Unitary Products (Air conditioners)
- 4) Fans & Ventilation Products
- 5) Refrigeration Accessories
- 6) Water distribution
- 7) Water treatment (Prevention of scale, Corrosion, Bio Fouling)
- 8) Electricals, Motors and Controls
- 9) Services

and many more...

## Visitor Profile

- 1) Contractors (HVAC, Plumbing, Mechanical, Electrical, Controls)
- 2) Consulting Engineers
- 3) Mechanical Engineers
- 4) Architects
- 5) Wholesalers/Distributors
- 6) Importers/Exporters
- 7) Public Utilities
- 8) Government Agencies
- 9) Purchasing Departments
- 10) Testing & Certification
- 11) Research & Development
- 12) Design/Build
- 13) Manufacturers
- 14) OEM Designers & Engineers
- 15) Facility Managers
- 16) Building Operations Managers
- 17) Publishers/Editors
- 18) HVACR Educators/Trainers/Students

and many more...

## Key Focus Sectors

- |  |   |   |
|--|---|---|
| 1) Commercial Buildings                              | 7) Entertainment hubs like malls, auditoriums, stadiums | 13) Commercial Shipping, Cruise Liners      |
| 2) Corporate and Office Infrastructure               | 8) Educational and Research Institutions                | 14) Defense services: Army, Navy, Air force |
| 3) Industrial manufacturing facilities               | 9) Banks and Financial Institutions                     | 15) Warehouses                              |
| 4) Residential complexes                             | 10) Hospitals, Blood banks, Clean rooms                 | 16) Salons, Spas, Health clubs              |
| 5) Hospitality industry - Hotels, Restaurants, Clubs | 11) Automobiles & Railways                              | 17) Pharmaceutical companies                |
| 6) IT / ITES / BPO's                                 | 12) Airport, Ports, Metro Stations                      | 18) Power Plants                            |
|  |   | 19) Oil and gas                             |

## Exhibitors Speak

We are very happy to be participating at ACREX India. We had a great quality of footfalls, many business enquiries that have kept us upbeat about the progress of the industry in the coming year. ACREX India has been instrumental in convergence of technologies that are evolving very fast. ACREX India has really helped us in understanding the cutting-edge technologies across the various manufacturers that help us take the optimum best to our customers.

**Sridhar N, Sr. General Manager,  
Voltas Limited**

ACREX India is a great platform to showcase our technical strength and prowess we bring. We really look forward to this every year where we also get to catch up with our colleagues from the industry. The environment and ambience here is electrifying and the participation is very high with fantastic booth and the products that are displayed.

**Dipankar Bhattacharya,  
Director & Country General Manager,  
Dunham-Bush India**
