## EXHIBITOR TESTIMONIAL

“It's very interesting, i like this year exhibition. We will join this exhibition every year because we need to come here to let our client knows that ZMJ is here. Some profesional come here and they know who we are and happy that we're here. I hope next year, this exhibition should divide the mining section to different spaces. Some area for cooper mining and coal mining, beacuse so many manufacturers come here and they want us to stick together
