Middle East Oil & Gas Show and Conference

MEOS is the most established showcase of oil & gas products and services in the Middle East.

Since 1979, it has played a significant role in the development and transfer of exploration and production technologies, helping the industry to transform and push limits through innovation and collaboration to meet world energy demand.

Over 8,000 professionals will converge in Bahrain at **MEOS 2019**, and use the world-class exhibition and conference as an opportunity to forge business relationships, learn, share expertise, and provide solutions in the heart of one of the most prolific hydrocarbon regions in the world.

“A very important show for the region that brings together a lot of expertise.”

KUWAIT OIL COMPANY

## THE EXHIBITION

The **MEOS** exhibition serves all areas of the upstream oil & gas industry. Over the last 40 years it has established a solid reputation as a high quality event with a unique calibre of attendees.

Attended by every oil producing state in the region, it attracts specialised businesses and some of the oil & gas industry's largest corporations.

**MEOS** is also privileged to receive full support from GCC national

oil companies including ADNOC, BAPCO, KPC, PDO and Saudi Aramco, who take showcase stands at the exhibition, implement major visitor delegations and play an active role on the conference organising committee.

## WHY EXHIBIT?

### GENERATE LEADS

Engage face to face with key clients and business partners to better understand their needs. Conduct business, generate new sales, and showcase your company to its best advantage. Over 8,000 qualified attendees are waiting to meet you.

### BUILD YOUR BRAND

Position your company amongst the foremost organisations in the oil & gas sector. Generate publicity and enhance your profile as a trusted brand and market leader.

### NETWORK & BUILD CONNECTIONS

Gain exposure to industry experts and network with your peers. Be part of a community committed to cutting-edge innovation and thought leadership to help grow your business.

### KEEP IN TOUCH WITH CUSTOMERS

It's likely that your best customers are going to be at **MEOS 2019**. Don't let your competitors gain an advantage - keep in touch with demonstrations of new products and services.

### GAUGE MARKET REACTION

Generate real time market feedback on new or existing products and services from a high volume of dedicated professionals.

### ENHANCE YOUR KNOWLEDGE

Enjoy unprecedented access to the marketplace and discover valuable market research, industry trends, and knowledge to give your company a competitive edge.

## THE CONFERENCE

Organised by the Society of Petroleum Engineers (SPE), the parallel conference is the most respected of its kind in the region. High quality technical presentations focused on Middle East issues ensure

that the quality of delegates is exceptional. The conference typically features over 300 papers, a series of panel sessions led by presidents, CEOs and chairmen of key players, and a high ranking collection of

keynote speakers. The SPE has unrivalled experience in organising petroleum conferences around the world and currently serves more than 164,000 members in 143 countries worldwide.

## BAHRAIN

Bahrain is the ideal meeting place for the oil and gas industry.

Saudi Aramco's headquarters in the Eastern Province of Saudi Arabia is only a short drive away over the King Fahad causeway, and the GCC states of Oman, Kuwait and the UAE are all within a one-hour flight.

This strategic location combines with modern infrastructure, first class hotels, restaurants and leisure facilities to make Bahrain the best place to do business in the Middle East.

## HIGH QUALITY VENUE

**MEOS 2019** takes place at the Bahrain International Exhibition and Convention Centre, a modern exhibition complex offering some of the finest exhibition and conference facilities in the Middle East. It is situated within five minutes of downtown Manama and close to all major hotels.

## THE ORGANISERS

The organiser of **MEOS 2019** has merged with UBM and is now known as UBM AEM.

UBM is the largest tradeshow organiser in Asia with 42 offices and 1,600 staff in 25 major cities, and a combined portfolio of 150 major events, 28 trade publications and 18 online products covering a wide range of market sectors.

*Other oil and gas shows in our portfolio include:*

- ◆ GEO – Bahrain
- ◆ KOGS – Kuwait
- ◆ OGA – Malaysia
- ◆ Oil & Gas Indonesia – Indonesia
- ◆ OSEA – Singapore
- ◆ SUBSEA Asia – Indonesia & Singapore

“ When planning which events to attend, MEOS is always top of the list. The quality of the delegates and networking opportunities are second-to-none. ”
