ABOUT MANUFACTURING INDONESIA

MANUFACTURING INDONESIA 2023 SERIES OF EXHIBITIONS

Welcome to the 32nd edition of Indonesia's largest international manufacturing technology exhibition: Manufacturing Indonesia 2023 Series of Exhibitions!

Manufacturing Indonesia provides a professional business platform for local industry as much as for internationally active manufacturing companies. Being held in conjunction with Machine Tool Indonesia, Tools & Hardware Indonesia, and Industrial Automation & Logistics Indonesia, the event provides the most cost-effective way to increase your business in South East Asia's biggest manufacturing market.

Now in its 32nd edition, Manufacturing Indonesia is well known and respected in the industry. The show attracts industry leaders and key players in the global manufacturing industry who want to showcase their latest products and services – all under one roof!

SUSTAINABILITY AT MANUFACTURING INDONESIA

SUSTAINABILITY IS US! We know sustainability is increasingly important to our attendees and exhibitors, as well as to our market as a whole. Running an exhibition gives us lots of opportunities to improve our impacts environmentally, socially, and economically in our host cities. We want to make our event more responsible and play a role in helping our markets improve its own sustainability through connecting people with the networks and knowledge they want to help solve the big challenges in our sector.

WHY YOU SHOULD JOIN MANUFACTURING INDONESIA?

- To increase your brand equity and to exchange the best practices.
- To network and engage with industry players, suppliers, and buyers. Build your new relationship with local business leaders just in 4 days!
- To discuss issues, ideas, and possible solutions.
- To generate real-time market feedback on new or existing products or services, while test the largest market in South East Asia market.
- To track upcoming industry demands and trends.

EXHIBITOR TESTIMONIALS

” Solo Technopark merupakan bidang konsultasi, produksi, dan pendidikan. Kami ingin menyaring perkembangan teknologi, jadi lulusan kita cepat terserap dan sesuai kebutuhan industri. Pameran ini cukup memuaskan, banyak teknologi yang mendukung pendidikan kami, seperti welding, automation, manufaktur, dan di dunia design.

Sutrisno

Kepala Diklat - PT. Solo Technopark (Surakarta – Indonesia)

” Perusahaan kami di bidang painting dan injeksi plastik, sedang mencari beberapa spare part yang susah di pasaran. Terakhir kami harus indent hingga 6 bulan, namun kami ketemu salah satu suppliernya disini. Pameran ini cukup bagus dan sangat komplit, ada beberapa item yang belum pernah kita lihat, bisa ditemukan di sini.
