OVERVIEW

MTA Hanoi 2026 returns for its 11th edition with a refreshed identity, reinforcing its status as Northern Vietnam's premier international exhibition for precision engineering and manufacturing.

MTA Hanoi, held at the **Vietnam National Exhibition Centre (VEC)**, is far more than a traditional trade show. It brings together advanced technologies and solutions from more than **14 countries and regions**, creating a powerful platform that connects world-class suppliers with major manufacturing hubs and industrial zones such as Bac Ninh, Hai Phong, Thai Nguyen, Hung Yen and beyond.

For over a decade, MTA Hanoi has been recognised as the most specialised and internationally focused exhibition of its kind in the North. It offers a highly technical showcase, practical seminars, and efficient B2B business matching programmes.

With a strong emphasis on innovation and hands-on technology demonstrations, MTA Hanoi 2026 will be an unmissable event for enterprises looking to strengthen production capabilities, embrace digital transformation, and capture new market opportunities in one of Vietnam's most dynamic regions.
