# REIGNITED THE THAI MANUFACTURING INDUSTRY ON THE ROAD OF RECOVER!

Over the past two years, the manufacturing industry has faced huge challenges due to restrictions created by global or local lockdowns during the COVID-19 pandemic. For more almost 40 years, INTERMACH, the longest running international machinery exhibition in ASEAN, has been assisting Thai manufacturing industry in building resilience through industrial capabilities. The show successfully reignited entrepreneurs, manufacturers, and investors in various industries to both prepare for and move forward on the road of recovery from the effects of pandemic.

Over the 4-day event, INTERMACH & MTA ASIA 2022 was a success that exceeded all expectations with 30,016 trade professionals and buyers visiting the show. Visitors were able to inspect a wide range of smart manufacturing technologies and solutions from 430 leading exhibitors and also attend 50 seminars on many important topics given by leading speakers who participated in discussions and shared their knowledge and experience. Exhibitors were also more than satisfied with the opportunities presented. Many onsite sales were made, and quality sales leads received for follow up after the show.
