METALTECH & AUTOMEX 2024

SHAPING THE FUTURE

OF MANUFACTURING AND AUTOMATION

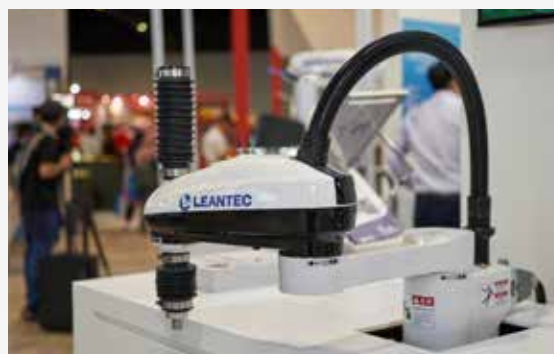

METALTECH & AUTOMEX has been the driving force behind the transformative growth of the metalworking, machinery, robotics, and automation industry in Malaysia. For over 27 years, the premier event has consistently **pioneered innovation, set industry trends, and propelled the manufacturing sector to new heights.**

As the first dedicated business event to represent multiple manufacturing industry sectors, **METALTECH & AUTOMEX** brings together professionals from the electrical & electronics, automotive, aviation, food & beverages, plastics & rubbers, pharmaceuticals, and medical technology industries.

With its extensive global reach, **METALTECH & AUTOMEX** **attracts over 1,500 leading providers of metalworking and machine tools technologies** from 19 countries and regions worldwide. The event also proudly hosts group pavilions representing industry leaders such as China, Germany, Singapore, Taiwan, and South Korea. These **pavilions serve as a testament to the event's international recognition, bringing together top exhibitors from around the world under one roof.**

Recognized as the premier platform for suppliers to showcase their latest products and services, **METALTECH & AUTOMEX** has earned a well-deserved reputation among the manufacturing industry's top players. It serves as the gateway for local and regional buyers to **discover cutting-edge solutions, explore emerging trends, and connect with industry-leading suppliers.** The event allows **suppliers to generate valuable leads, establish new business partnerships, and expand their market reach.** **METALTECH & AUTOMEX 2024**, the 28th International Machine Tools, Metalworking, and Automation Technology Exhibition is scheduled to take place from 15th – 18th May 2024 at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur.

With 33 specialized profiles, **METALTECH & AUTOMEX 2024** **presents the latest technologies that push the boundaries of innovation in manufacturing.** Over the course of the highly anticipated four-day event, **METALTECH & AUTOMEX 2024** is set to attract more than 18,000 visitors eager to discover innovative solutions and establish new business partnerships.

METALTECH will feature its renowned co-exhibition, the International Automation Technology Exhibition (**AUTOMEX**), an industry-leading exhibition showcasing the latest advancements in automation technologies. It serves as a premier **platform for exhibitors and visitors from around the world, highlighting the transformative potential of automation technology with its robotics, assembly systems, and machine-vision solutions.**

Join us at **METALTECH & AUTOMEX 2024**, where industry professionals, manufacturers, suppliers, and stakeholders converge to shape the future of metalworking, machinery, robotics, and automation in Malaysia and beyond. **Don't miss this opportunity to connect, collaborate, and propel your business to new heights.**

WHY EXHIBIT

EXPERIENCE THE FUTURE

OF MANUFACTURING AT METALTECH & AUTOMEX

METALTECH & AUTOMEX is the most highly anticipated international trade exhibition for the metalworking, machinery, robotics, and automation industries. It unites leading manufacturers, suppliers, and technology experts under one roof, providing an unmatched opportunity to witness the latest breakthroughs in these sectors.

GENERATE NEW BUSINESS

Meet a diverse pool of local and international industry players to explore new business prospects and forge strategic partnerships.

PRODUCT SHOWCASE

Explore an extensive showcase of industry-leading products and solutions. From state-of-the-art machinery and equipment to advanced software and digital solutions, you'll find a comprehensive range of products tailored to meet all your manufacturing needs.

NEW PRODUCTS OR SOLUTIONS

Showcase your latest innovative products and solutions to an eager audience of potential buyers and industry experts, setting the stage for successful product launches and gaining valuable feedback.

REAL-TIME DEMOS

Witness the capabilities of various machines and systems firsthand, helping you make informed purchasing decisions for your manufacturing needs.

NETWORKING OPPORTUNITIES

Build connections, exchange ideas, and explore collaborations with industry leaders, suppliers, and partners to expand your business.

GLOBAL REACH

Showcase your products and services on an international platform, reaching diverse audiences and expanding your market reach. Establish your brand worldwide and venture into new markets for exponential growth.

COMPETITOR ANALYSIS

Evaluate competitors and benchmark products against industry standards. Gain insights into market trends and competitor strategies to refine your business approach.

STRENGTHEN PARTNERSHIPS

Meet face-to-face with existing partners to reinforce your business bonds, while also establishing relationships with new partners to diversify your network and strengthen your market position.

BRAND RECOGNITION

Showcase your brand to a highly targeted audience and gain invaluable exposure. Position yourself as an industry leader, build brand recognition, and make a lasting impression on potential clients and partners.

SOURCE FROM TOP SUPPLIERS

Source raw materials, components, machinery, and automation solutions from leading manufacturers and suppliers, all under one roof, streamlining your procurement process and reducing costs.

DRIVE COST-SAVINGS

Explore how modernizing your manufacturing processes and adopting automation can lead to significant long-term cost savings and increased productivity.

INDUSTRY INSIGHTS

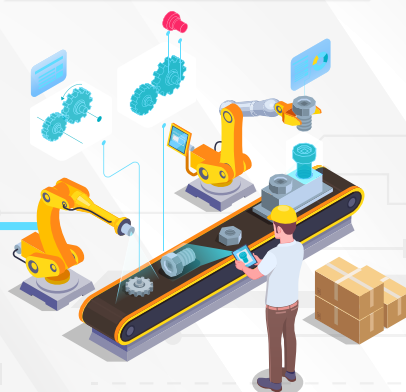

Engage in insightful discussions to stay updated on manufacturing and automation trends, best practices, and emerging technologies.

SUSTAINABLE SOLUTIONS

Embrace sustainable practices in manufacturing, exploring eco-conscious technologies that benefit your business and contribute to a greener world.
