MINING INDONESIA 2019

Celebrating the 19th edition, Mining Indonesia is Indonesia's largest international mining equipment exhibition and provides a professional platform for Indonesia's mining industries to do business. Open to trade mining visitors, the show offers unique opportunities to both international and domestic companies to demonstrate their products, services and projects to highly targeted audience. Mining Indonesia provides the most effective way to stay connected to your industry or to increase your business in South East Asia, the biggest mining market.

Indonesia At A Glance:

- Indonesia fell within the top ten producers of copper, gold, bauxite, coal and tin, and one of the world's largest producer of mined nickel.
- It is one of the world's leading exporters of bituminous coal.
- Domestic coal demand in Indonesia is estimated to reach 114.51 million tons in 2018 with local power plants are estimated to consume 89.75 million tons of coal.

Visitor Profile

- CEO / Presidents / General Managers
- Chemical
- Civil Engineering
- Coal Mining & Processing
- Communications
- Construction
- Consultants Design / Engineers
- Distributors, Dealers, Importers/ Exporters of Mining Machinery / Equipment
- Education
- Environmental
- Export Trade
- Financial Institutions & Associations
- Geologists
- Geology / Exploration
- Government
- Industry's Institutions
- IT companies and Solution Providers
- Manufactures and Suppliers of Instrumentation and Controls
- Manufacturing
- Materials Handling
- Metallurgists
- Metals Processing
- Mine Plant Managers
- Mine Supervisor / Foremen
- Mineral Excavators Mineral Processors
- Mining & Machinery / Equipment Manufactures
- Mining Community Visitors
- Mining Companies
- Mining Consultants
- Mining / Mineral Processing Companies – Metal & Non-Metal
- Oil Sand Processing
- Outside Service Providers
- Power Distribution
- Power Generation
- Process Control & Instrumentation
- Quarrying
- Technical Experts
- Telecommunications / IT
- Trade Services Companies
- Transport / Distribution / Storage
- Utilities

What Did Our Exhibitors Say

"Mining Indonesia is always well organized. We are very satisfied and have been regular exhibitors since 2009. This is a good opportunity to promote our company and great networking event. The exhibition is also highly interesting with a participation of top companies and manufacturers for mining applications. We have been able to garner a significant number of qualified leads, with the high-profile visitors we have interesting conversations and expand our business."

Mr. Mulandaru Rachim, Operational Director – PT. Intecs Teknitama Industri

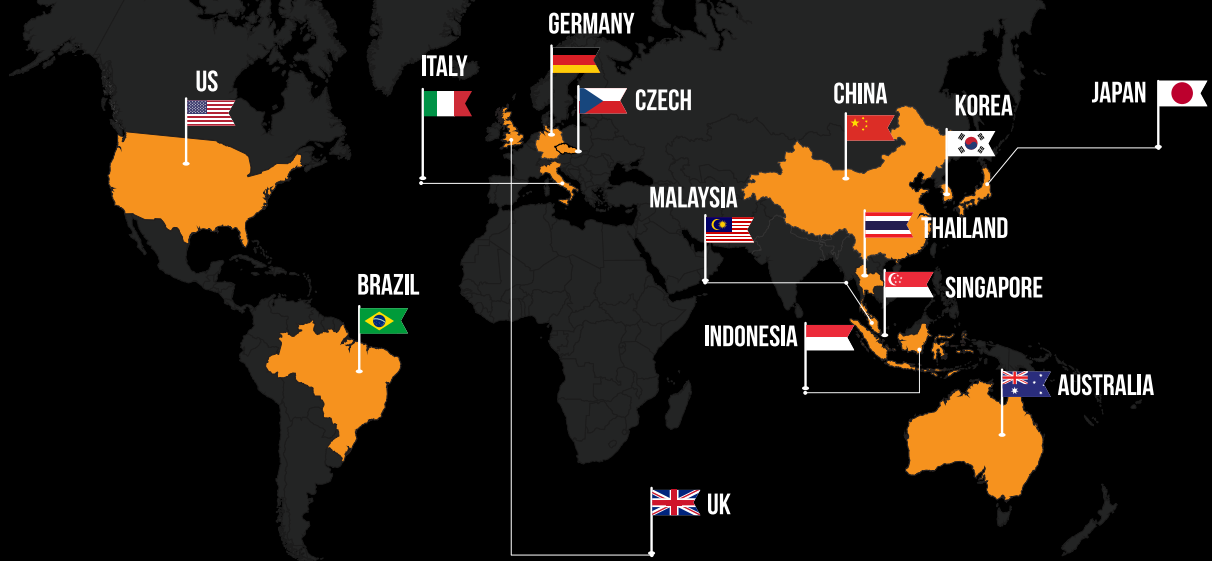

"Mining Indonesia is a key industry event that provides an important market place platform for suppliers across the globe and regional end users to gather together. This is where all players showcase their products and exchange knowledge that could eventually support and drive the growth of mining industry not only in Indonesia but also ASEAN countries."

Mr. Burhan Diyono, Managing Director – PT. Pacific Firsttrack Indonesia
