About Singapore FinTech Festival (SFF)

The 9th edition of SFF will take place on 6 – 8 November. SFF will bring together the global FinTech community to engage, connect, and collaborate on issues relating to the development of financial services, public policy, and technology. As the world's largest and most impactful FinTech festival providing an intersection of Policy, Finance and Tech, the 2023 edition brought together over 66,000 participants from 150 countries and regions.

SFF is organised by the Monetary Authority of Singapore, Elevandi, and Constellar and in collaboration with the Association of Banks in Singapore.
